Dear Ms. Wickstein,

I am pleased to inform you that the Trustees of the Vidda Foundation have approved a grant of $10,000 to Citymeals on Wheels for the purpose of general operating support.

Under the laws of the United States applicable to the Foundation, all grant funds must be expended for charitable, scientific, literary, or educational purposes. This grant is made only for the purposes stated in this letter, and the grant funds as well as any income earned thereon may not be expended for any other purpose without the Foundation's prior approval in writing.

The Foundation has scheduled the grant for payment in **February 2027**. The funds will be paid only after receipt by the Foundation of a countersigned copy of this letter.

The Foundation will include information on this grant in its periodic public reports. It may monitor and conduct an evaluation of operations under this grant, which may include a visit from Foundation personnel to observe your program, discuss the program with your personnel, and review financial and other records and materials connected with the activities financed by this grant.

Within one year from the date of this grant, your organization is required to submit a report summarizing the specific disposition of the grant funds awarded with this letter. Note that if your organization is invited to submit a proposal next year, you will be required to include this report as part of your application for new funding.
